Applications from the Ganaka community for appointment.

155. * **Mr. N. Narayana Kurup**: Will the Government be pleased to state:

(*a*) the number of applications received by them from the Ganaka community for any appointment from 1-1-1116 to 31-12-1119:

(*b*) the number appointed from those, either by the Public Service commissioner or by the Government;

(*c*) whether they have received any applications from the Ganaka community, or from individuals of that community to exempt them from Public Service Recruitment Rules and to appoint, considering their rare representation in public service;

(*d*) if the answer to (*c*) is in the affirmative, how many applications have been received;

(*e*) whether any one of them was given any appointment, after giving exemption; and

(*f*) whether they are aware that the chances of getting appointments to members of minor communities are rare under the present arrangement?

Mr. S. N. Ure (*Public Service Commissioner*): (*a*) to (*e*) No register of applications for appointment is maintained by Government as applications for appointments have ordinarily to be made to the Public Service Commissioner in accordance with the Public Service Recruitment Rules. As the Ganaka community is only one of the many sub-communities included under the recognised group "Other Hindu" and as statistics relating to recognised groups of communities alone are available, it is not possible to furnish the information sought for by the member.

(*f*) No; it is a matter of opinion. Ganakas have secured appointments under the Public Service Recruitment Rules.
